Patents

Patents **11 - 20** on **smartcard contain a list of public keys**. (0.03 seconds)▸ **List view**[Cover view](#)▸ **Sort by relevance**[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)▸ **Any status**[Issued patents](#)[Applications](#)Did you mean: ***smart card contain a list of public keys***Method and device for vehicle control events data recording and securing

US Pat. 6076026 - Filed Sep 30, 1997 - Motorola, Inc.

Storing first information in a **list** in memory in time overlap fashion means ...
by the microprocessor against **public keys** for those authorized agencies. ...Method for delegating authorization from one entity to another through the ...

US Pat. 5224163 - Filed Sep 28, 1990 - Digital Equipment Corporation

In its most basic sense, an ACL may comprise a **list** of the names of the principals which are ... 7A through 7C illustrate the use of such session **keys**.
...Secure communication apparatus and method

US Pat. 5552897 - Filed Mar 7, 1994 - AT&T Corp.

Table 401 includes a **list** of recipient names, facsimile numbers, telephone numbers and **public keys**. In step 209, if the size of Table 401 exceeds the ...Method for performing group exclusion in hierarchical group structures

US Pat. 5220604 - Filed Sep 28, 1990 - Digital Equipment Corporation

In one embodiment of the present invention a new **public/private key** pair is generated each time ... 7A through 7C illustrate the use of such session **keys**.
...Compact endorsement signature systems

US Pat. 5434919 - Filed Jan 11, 1994

These digits prevent a volving the combination of a **public-key** digital signature ... aim to combine **public public** one-way function on a **list** of secret values;
...Multi-purpose transaction card system

US Pat. 6718314 - Filed Aug 12, 2002 - Infospace, Inc.

Lampport signatures simply authenticate, as a **public key**, the output of a **public** one-way function on a **list** of secret values; later release of a subset of ...Multi-step digital signature method and system

US Pat. 6209091 - Filed Sep 29, 1998 - CertCo Inc.

8 25 Similarly, Authorizing agents' trusted devices receive **public** encryption **keys** 28 and **public** verification **keys** 30 for all signing devices. ...Two-phase cryptographic key recovery system

US Pat. 5937066 - Filed Oct 2, 1996 - International Business Machines Corporation

In each of these methods, it is assumed that the key recovery system software or hardware contains a **list** of **public** certification **keys**. ...Representing entitlements to service in a conditional access system

US Pat. 6292568 - Filed Jan 19, 2000 - Scientific-Atlanta, Inc.

The storage 1403, which contains the three CAA **public keys**, also contains two pointers: one, 1402, to a free **list** 1407 of unallocated skinny ...Method and apparatus for a secure computing environment

smartcard contain a list of public keys
